

## RE Skills

*Expected by End of Year 5*

### Learning About Religion

- I can make clear comparisons between the beliefs and ideas of some of the main religions and show how they are connected to believers' lives.
- I can explain the meaning of words, beliefs, ideas and words used by believers and explain what they mean.
- I can describe and compare how people show religion is important in their lives.

### Learning From Religion

- I can explain practices and deep held beliefs that might be involved in belonging to a religion.
- I can ask questions about life and suggest appropriate answers – with reference to some religions.
- I can ask questions about the decisions people make – including believers – and I can suggest what might happen as a result of different decisions.
