Dear Parents and Carers

For some time now we have considered bringing in an official T-shirt for PE. This would be worn during indoor and outdoor PE sessions as well as at local sporting events, which many of the children are now taking part in. Now we have updated our logo and are bringing it in on our sweatshirts, it seemed like the perfect time to update the PE T-shirt too. It would continue to be a white crew neck T-shirt with the logo you can see at the top of this letter.

We are inviting you to place an order for the new T-shirt as we need to have an approximate idea of quantities before placing our first order with our suppliers. Whilst we would like everyone eventually to have the official T-shirt, we are happy for white ones to be worn for the rest of this year if needed and of course, Y6 do not need to make the purchase if they don't wish to.

The prices of the T-Shirts are as below

PE T-SHIRTS	PRICE
Ages 2 to 13	£6
Small/Medium/Large	£7

Please follow the link below to place your order by Wednesday 29<sup>th</sup> March 2023.

We will distribute the T-shirts in school once we have our first delivery.

Kind regards,
