Dear Parent / Carer

RE: SUMMER TERM EXTRA-CURRICULAR ACTIVITIES – AFTER SCHOOL AND LUNCHTIME

We are offering Extra-Curricular Activities for the Summer Term. The activities will run for **11 weeks**, commencing week beginning **Monday 17th April 2023** and finishing the week ending **Friday 14th July 2023**.

If you would like your child to participate you will need to go online and make a booking at <https://eduspot.co.uk/>. The cost for each club is **£49.50** (except Tennis and Sportscool who have different prices) and payment **must** be made to secure the booking. Bookings will open on the morning of Wednesday 29th March 2023. Each club has a limited number of places so please book quickly to avoid disappointment. Clubs with insufficient uptake may not run and should that be the case any bookings made will be refunded.

We have two clubs which are run by outside operators;

Tennis club should be booked and paid for directly through the Tennis coach's website using this link; <https://www.point-onetennis.org/schoolsparentsarea>

Multisports should be booked and paid for directly through the SportsCool website. All details on how to book are shown on the flyer attached.

All activities will take place outside when possible so please send your child to school in appropriate sportswear as they will not be able to change, they will also need a lightweight waterproof coat and waterproof trainers. Children taking part in after school clubs will also be required to attend school in sportswear on the day.

Computing Club operates Tuesday mornings and starts at **8.00am**, please drop your child off at the school office to attend this club. All afternoon clubs start at 3:15pm and finish at **4:15pm**. Children **must** be collected promptly. Persistent late collection will result in the child no longer being allowed to attend the club. Children are to be collected from the playground, access and exit via the Nursery gate. If you have to bring siblings at collection time please ensure that they stand with you and that they do not use the trim trail or any of the play areas in the school grounds.

After School Activities are as follows;

LUNCHTIME ACTIVITIES

We are continuing with several Lunch Time Activities; and many of the children are already booked on to these as they are continuing from the Spring Term.

Online booking is not available for these sessions as teachers will arrange them directly with the children. No child will be required to participate in lunchtime sessions if they do not wish to do so. If you have any further questions regarding the lunchtime activities please arrange to speak to the teacher organising them.

Thank you
