Parents Evening Bookings | Wear What You Love | Internet Safety | Sports News

## Athletics Tournament

Well done to all the children who took part in the Athletics Final at Bramhall High School this week. Overall, we finished in 6th position out of all the schools that entered in Stockport. The whole team were amazing supporting their team mates and putting 100% effort into every event. We are so proud of all the children who took part and a special mention to Jaxon B and Elsie-Mae who won our Spirit of the Games awards.

## Parents Evening Booking

This week, you should have received a text to inform you that the booking system for Parents Evening is now open on School Spider. Parents evening will take place on Tuesday 4th March and Wednesday 5th March. If you are struggling to book an appointment please contact the school office. During Parents Evening, I will be in my office so feel free to come and see me if there are any questions that you have.

The children's workbooks will be sent home on Friday 28th February for you to see what the children have been doing in class. Please can we ask that they are returned on the Monday.

## School Grid Launch

This week, all parents should have received an email with the registration information for School Grid. The menu has been uploaded and will be available to order from today. Please order your child's meals prior to the 25th February, this must be done even if your child receives free school meals or universal. The new menu is on a three week rolling cycle. If you have any current funds in your account for school dinners, then we will be refunding this to you after the Half Term. We are allowing a two week settling in period for the new system where we will be checking the school meals in school.

## Sweets & Treats

As a reminder to all parents, please can we not send sweets and treats into school for your child's birthday. It was agreed a number of years ago by the Parent Council as it adds pressure for families to provide these and we are a healthy school. Thank you for your understanding with this matter.

## Safer Internet Morning

Thank you to all the parents who made it to our Safer Internet morning. It was lovely to see so many of our school community attending an event with such an important message. The children also loved learning all about how to remain safe online.

This is the first of many mornings which we are hoping to offer over the course of the year.

## Wear What You Love day

Today was our annual Wear What You Love day. It was wonderful to see the children really expressing themselves and coming to school in an outfit that reflects them. It was wonderful talking to the children about why they chose their outfits as well. Thank you for all of the contributions as well, it goes a long way towards our fundraising goals for the year.

## Attendance

Here are the top three classes this week for attendance. Well done 3/4TL to for having the highest attendance this week.

Class	Attendance
3/4TL	98.7%
3/4C	97.1%
EYWL	96.7%

Please look at the School Hall window to see a full list of classes attendance this week.

## Happy Half Term

I want to take the chance to thank all of our families for yet another amazing half term. It has been lovely to see all the progress the children are making in school. Have a restful half term and a reminder that Monday 24th February is an INSET day so therefore, children will return on Tuesday 25th February.

Kind regards,

Pete Cope

and the Etchells staff
