

SCHOOL NEWS

SATs Breakfast | Reddish Vale | Sports Day | School Grid Ingredients

Sports Day

We are holding our Sports Day on Wednesday 21st May. Early Years and KS2 will be starting at 9:15am. KS1 will start at 1:30pm. Each session will last approximately one and half hours. The gate closest to our Nursery building will be open for you to enter and leave during Sports Day. It is set to be another hot day so please make sure that you send your child in with suncream on and a hat if they need one.

SATs Breakfast

What a week it has been for our Year 6 children! They have all worked so hard and we are all very proud of them. They took each day in their stride and embodied the essence of Etchells. It was not all work for the children, they also had a wonderful time during SATs breakfast. The children made sure that they had enough fuel for their brains. The children's manners were amazing and the singing a long to the music was a highlight of the week. A huge well done to everyone for an amazing week and a special thank you to all the staff who helped to make the breakfast memorable.

Reddish Vale Farm

This week both our Early Years classes went for a trip to Reddish Vale Farm. It was a great opportunity for them to see

animals, pet them and learn a little more about the environment that they live in.

The behaviour of the children was excellent throughout and the enjoyment experienced by the children was incredible.

Thank you to all the parents who came to help and the staff for organising the trip.

School Grid Ingredients

Please can all parents/carers make sure that they check the ingredients on the recipes on School Grid before pre-ordering meals. The system has the main allergens on it but if it is not considered to life threatening then you still may be able to order even though their are ingredients they may be allergic to.

Staircase House

This week it was the turn of 1M to go to Staircase House. The children had a wonderful trip learning about the Great Fire of London. The children dressed up and acted out the story, made wattle and daub walls and designed fire marks. The behaviour of the children was great and they listened very carefully to all the information that they were learning. Well done to our Year ones for having two great trips.

Bee Yourself Day

It was lovely to see all the children today in their own clothes expressing themselves. It is an important message for the children to hear that they should celebrate and be who they are. Thank you very much for the kind donations of vegan sweets that will contribute to our Summer Fair. We have a number of other fundraising days coming up after Half Term.

Attendance

Here are the top three classes this week for attendance. Well done to for having the highest attendance this week.

Class	Attendance
6C	100%
6W	99.3%
3/4C	98.7%

Please look at the School Hall window to see a full list of classes attendance this week.

May Holiday Clubs!
