Careers Week | After school club provision | Year 2 information evening

Year 2 information evening

An email was sent out this week regarding an information evening for our Year 2 parents on Monday 30th June at 3:30pm. It is an opportunity for school to share how the mixed classes will work next year for your children and an opportunity to ask any questions which you may have. Please can you ensure that any questions are sent to me in advance on headteacher@etchells.stockport.sch.uk
Thank you.

After School Clubs

We are currently exploring our options for after school clubs for next year. We wanted to gather the opinion of the parents on the current provision which we offer. Also, if there are any clubs that we currently do not offer that you would like.

Please could you follow this link:
https://docs.google.com/forms/d/e/1FAIpQLSf5bq-jdkLxQtQ_5PRPur4i3Lfq1vTRdBV-aKQm3Eo1IsbJUQ/viewform?usp=dialog.

There are only three questions, so should not take a long time but your views are important to us, to keep improving the clubs we provide.

Careers Week

This week has been an exciting week in school where the children have had the chance to reflect on what they would like to be when they are older.

It is important that we have these key conversations with the children in order for them to have high aspirations for themselves. It is also an opportunity for us to provide advice on the best way in which they would pursue their chosen career.

We had a number of visitors in school to share their own real life experiences with the children. This allows the children to explore options or possibly think of a career that they would not have previously.

The week finished with the children dressing up in an outfit that represented who they want to be when they are older. It was lovely to see such a range of jobs being represented. It has been a lovely week at school and a great opportunity for the children.

Volunteers for the Summer Fair

With our Summer Fair being only a week away, we are still looking for volunteers to help us, even if this is for an hour. We want to make the event a success and raise much needed money for the children. In recent years, the PTA have paid for the Colour Run, which all the children loved, the Nursery outside area, a new sound system for the hall, to name a few. Without volunteers we could not possibly run the event. Please send me a dojo message if you are struggling to sign up. Thank you in advance.

Free family passes to Lyme Park

I am excited to announce that Lyme Park have kindly offered summer passes to their National Trust Park. I have registered the school and. The passes should be with me by 30th June, ready to distribute to families who would like to use them.

The pass provides free family visits to Stockport residents during the Summer Holidays. You will have free admission to the estate, gardens and house at National Trust Lyme between 12 July and 14 September.

The ticket allows free admission for two adults and up to five children and can be used once during the holidays.

Attendance

Here are the top three classes this week for attendance. Well done to for having the highest attendance this week.

Class	Attendance
EYR	98.6%
3/4C	96.9%
6W	96.5%

Please look at the School Hall window to see a full list of classes attendance this week.

Kind regards,

Pete Cope

and the Etchells staff
