Please find to the left a table of classes for next year. It explains the current class that your child/children are in and who their new teacher will be.

It also explains the mixing of the Year 2 and Year 4 children. These children had an opportunity to meet their new teacher today so they could see who they have in their class and spend some time in their new classroom.

All children in school will have their first transition morning on Thursday 3rd July.

This will be the first of three sessions.

The information evening for Year 2 parents is happening on Monday 30th June. Please make sure that you send any questions to me prior to the meeting. Thank you in advance.

Attendance

Here are the top three classes this week for attendance. Well done to for having the highest attendance this week.

Class	Attendance
6W	99.6%
3/4C	99.2%
EYR	98.2%

Please look at the School Hall window to see a full list of classes attendance this week.

Football Match

On Friday, we hosted Prospect Vale for a football festival with two boys and one girls teams competing. The children played really well and showed that they were good sportspeople all the way through. The girls team managed to win their match and the boys teams lost narrowly. We are proud of them for representing the school so well. This will be one of the last events of the year so thank you to all the children who represented the school this year.

Summer Fair

We are looking forward to seeing you all at the Summer Fair later. Thank you to those families and businesses that contributed to prizes for the raffle. A special thank you to the PTA who took the time and effort to plan the event and of course, all the families who are going to attend the event. I will update you with the amount raised next week.

Kind regards,

Pete Cope

and the Etchells staff
