Provisional SATs Results

I am pleased to share with you the provisional SATs results for the Year 6 children this year. As you can see from the results, Etchells children have performed exceeded the national average in all areas. Our reading results this year have been particularly pleasing. The journey of the children is a joint effort so I want to thank all the staff for their contribution to the amazing results and the parents/carers for the support that they have given throughout their

Open Evening

I want to thank all the families who attended our open evening this week. It was a lovely opportunity for the children to share the amazing work that they have completed this year. It was also a good opportunity for you to have a conversation with your child's current teacher and to meet the new class teacher as well.

Books going home

The children will be bringing their books home on Wednesday 23rd July. This is a chance for you to have a look back on all the progress and hard work that they have done this year. Please can you make sure that the children bring into school a carrier bag on that day in order for them to take the books home.

Care for Calais

On Thursday this week, Rob from the charity Care for Calais came to deliver an assembly to our Year 1-6 children. The main theme of the assembly was to discuss the work that the charity does for refugees. This was to support the work that the school completed during

Refugee Week. The children asked some thoughtful questions and understood the importance of

being kind to anyone, regardless of where they have come from.

Art Exhibition

During our open evening this week, the children from each group displayed their art in the hall for parents/carers to see. There was a mixture of both 2D and 3D art, ranging from colouring booklets to 3D models of hats.

It was a lovely opportunity for the children to share their art work and show how much progress they have made this year. It brought a colour and vibrancy our open evening and it was lovely to see the children's faces when they saw their artwork

Attendance

Here are the top three classes this week for attendance. Well done to for having the highest attendance this week.

Class	Attendance
1M	98.9%
3/4C	98.8%
EYWL	98.3%

Please look at the School Hall window to see a full list of classes attendance this week.

Lateness

Please can I remind all parents/carers to ensure that your child is in school on time. The number of latenesses recently have really increased and this causes extra stress and work for the school office. I understand that at times this is avoidable but we are noticing the same children turning up late each day.

Kind regards,

Pete Cope

and the Etchells staff
