

SCHOOL NEWS

Year 6 Production | Book Fair | Feedback from Reports | End of Term

Book Fair

A huge thank you for all the families who came along to the school book fair to support the reading journey of their children. I am pleased to inform you that we raised in total £583.95. From this amount of money, the school has earned £233.58 to spend on books for the school library. This money will go a long way to the continuing development of reading across the school.

PE Assembly

On Monday, we held a full school assembly to celebrate all things sporty! As a school, we have worked on ensuring that the PE curriculum that we deliver is as effective as it can be. Alongside this, we have also ensured that there are a range of different opportunities for our children to attend sporting events. In the assembly, awards were handed out to the children who demonstrated the most improvement in PE and the top sportsperson from each class. The children also had a chance to meet Mr Kelly (our new Headteacher) and even challenged him to a competition.

Feedback from Reports

I wanted to take the opportunity to thank those families who have returned the feedback forms from the end of year reports.

It was lovely to read some of the strengths that have been identified by the school community as well as the areas for development that the school needs to continue to work on. Your feedback is vital to the improvement of the school and your opinions are invaluable to us.

Below, you can see some of the positive feedback we had about the school. I am proud of the work that the school has completed this year and the direction that the school is going in.

I'm really impressed with the work we see in books and we feel that our child has been helped to make good progress.

Staff are very friendly and approachable. Amazing that the staff get to know the children so well.

Superhero Day

On Thursday, we had a special visitor from the Seashell Trust, Buddy their adorable mascot. The Seashell Trust work with children with additional needs and complete vital work to enrich the lives of these children.

The children had an assembly about the work that happens at the Trust. As part of the celebration, the children came into school dressed as superheroes. It was lovely to see all the different costumes that the children chose to wear on the day. I think our children are heroes everyday anyway!

Year 6 Production

On Wednesday and Thursday this week, our wonderful Year 6 children performed their end of year production for a captivated audience. I was brimming with pride to see the smiles on the children's faces as they were singing their hearts out.

Each performance that the children completed got better and better as they grew in confidence. A huge thank you to the Year 6 team for putting on a wonderful production, parents for providing costumes and learning song but more importantly to the children for their commitment and determination.

Attendance

Here are the top three classes this week for attendance. Well done to for having the highest attendance this week.

Class	Attendance
6C	97.6%
3/4TL	96.3%
1M	96.3%

Please look at the School Hall window to see a full list of classes attendance this week.

End of Term

Just a reminder to parents that we will be breaking up next Friday 25th July at 2:30pm. There will also be no after school provision provided on this day, if you have booked on to this date then you will be issued a refund.

Kind regards,

Pete Cope

and the Etchells staff
