Today's spellings

Look at these singular words:

- beach
- shoe
- book
- building
- bench
- toe

If there was more than one of each, the word becomes a plural and we add -s or -es. Try adding the right one then collect other plural words. Can you see a pattern to know when it's s or es?

Writing

Write an introduction about an animal of your choice.

- Read our introduction to an animal then try and write your own using similar sentences. Have you included:
- What is your animal?
- What type of animal is it (fish, mammal, reptile...)?
- Briefly, what does it look like (we will describe it more later)?
- Where does it live in the world?

When you have finished check your punctuation (and ours). See if you have used an adverb (brightly) or an adjective (warm).
